

Elemental Strings

a Santa Monica tradition since 2004

Practice-a-thon 2012

Dear Elemental Strings students and families,

We will be holding our third annual Practice-a-thon from Friday February 3 through Friday February 17.

We are counting on ALL students to participate in the Practice-a-thon, and to have at least a individual goal of at least \$150, if possible. This fundraiser is an important part of the overall budget for Elemental Strings. It is also a fantastic motivator for students to keep practicing.

BEFORE IT STARTS:

In the coming weeks, please start collecting pledges from your family, friends, and loved ones. They can either pledge an amount per hour OR a total amount. Please use the pledge sheet to keep track. (Pledges can also continue to be collected during the Practice-a-thon).

DURING THE PRACTICE-A-THON:

Once you start the Practice-a-thon, please write down how much time you practice every day. For this fundraiser, you may include the time you spend in private lessons as well as Elemental Strings rehearsals!

AFTER IT ENDS:

Please collect the pledges from your donors and thank them for their support. All checks should be made out to "Elemental Strings." **All pledge sheets and pledges are due back to Elemental Strings no later than Friday, March 2.**

There will be prizes for the students who have

practiced the most
collected the largest number of pledges
collected the highest dollar amount in pledges

Awards will be given out at our March 9 concert.
